## MEAT WORKS

In 1907 Olympic Park was home to the Homebush Abattoir and by 1923 was the biggest of it's kind in the Commonwealth producing quality cuts of sheep, beef, pork & veal. The Locker Room continues this proud tradition by sourcing the finest cuts of grass fed beef & lamb and cooking it to perfection on our grill.

The Locker Room proudly uses Pinnacle Beef. It is a naturally grass fed and free-range program, characterised by its distinctive natural marbling. The Pinnacle brand is about saying no to shortcuts. No added growth hormones, no unnecessary use of antibiotics and no last-minute finishing. Pinnacle Beef comes from southern NSW some of Australia's most prestigious farming country.

## SALT WORKS

Located in the north of Sydney Olympic Park, the Salt Mine and Manufactory made salt "of the very best kind". The Locker Room is using the following salts in our dishes:

SAGE | ROSEMARY | SEAWEED | PINK PEPPERCORN

Salts are available to purchase, see bistro.
